# LAVAZZA

TORINO, ITALIA, 1895

With over 120 years expertise and producing over 100,000 tonnes of coffee annually, Lavazza is one of the largest coffee roasters in the world. With over 50 training centers worldwide & sustainability programs through which the coffee farmers are developed and taken care of, Lavazza is one of the top contributors towards the upliftment of the coffee industry worldwide. As a brand, Lavazza is one of the most sought after brands worldwide and is known for their consistency in high quality and wide range.
