PHAT BOY INSIDE OF US

He was born from a love of Thai food and Brisbane. After influencing the Thai food culture in Brisbane with well known Phat Elephant and Chai Thai, Phat Boy will be the next chapter in the story. The Chapter that celebrates what is great about Thai food and combines it with all that Brisbane has to offer. It is out of the norm, exciting and delicious.

Be a part of our story and indulge your Phat Boy with us at [@phatboybrisbane](https://www.instagram.com/phatboybrisbane).
