LEO'S
FISH
BAR

"There is no love sincerer than
the love of food."

(George Bernard Shaw)

Alan and Joanne worked in the Middle East for many years. Coming back home during holidays was always something they looked forward to, especially good old traditional Fish and Chips and a Full English Breakfast. But often, wherever they ate, there always seemed to be something missing.

On returning to the UK permanently, Alan and Joanne's passion for traditional food lead them to think further. The Great British Public deserved better!

What if there was a place that served wholesome Fish and Chips and English Breakfasts, freshly prepared by a Chef, in a modern welcoming environment that also catered for variety of other tastes too?

.... and with that, Leo's was born.

Leo's Fish Bar is a family run business with a passion for providing the best quality 'Feel Good Food' – Fish & Chips, Traditional English Breakfasts, Pies, Kebabs, Fried Chicken, and Burgers, to name just some of the dishes.

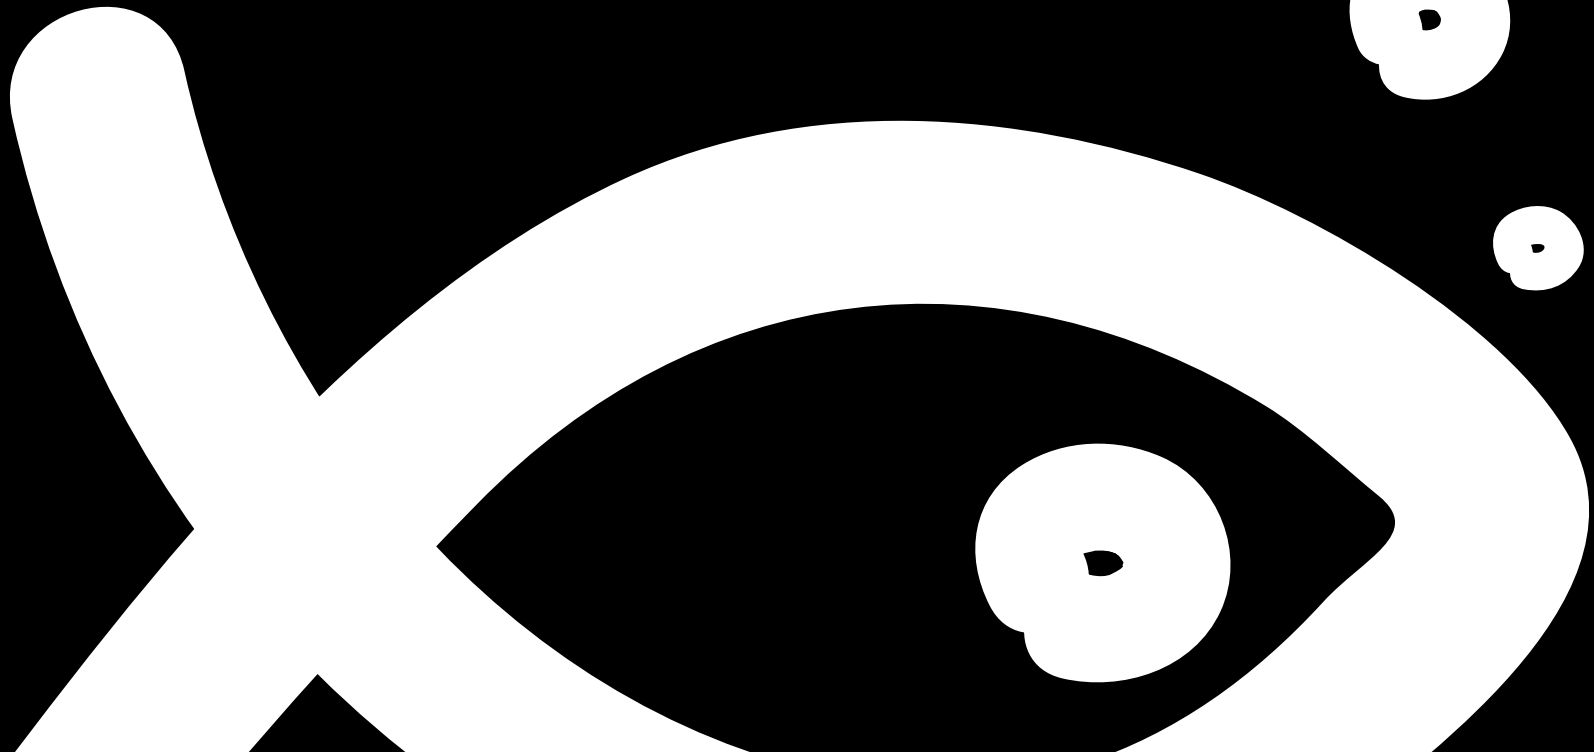

All recipes are prepared by Leo's very own Chef from the finest, freshest ingredients: Maris Piper potatoes, Fish from the North-East Atlantic, Superior Burgers and 100% Chicken Breast Fillet Burgers. And everything is cleaned, cut, prepared and fried on the premises.

But apart from a great breakfast, lunch and dining experience, Leo's is happy to welcome everyone at all times of the day. Whether it's for rest and refreshment – (we serve Illy's, the best Italian coffee available), a break away from the office (we have FREE on-site Wi-Fi), or afternoon tea and cakes - we are here for you.

With our special Kids Menu, Leo's is also the perfect place for a cost effective family meal.

Did you know?

There is less fat and calories in the average portion of Fish & Chips than in an average Cheese & Tomato Pizza and Chicken Tikka Masala & Pilau Rice!
